The RS-130 retail scale is the ultimate choice for simple price computing applications delivering unmatched convenience and accuracy. Providing one-button operation, the RS-130 displays weight in either pounds, kilograms or ounces\*.

For added convenience, the RS-130 can save eight direct price lookups and 89 indirect price lookups. Quickly calculate cash back for applications where a cash register is not present.

The large stainless steel platter provides ample room for product and a standard in-use cover assures years of trouble free operation.

The RS-130 is NTEP-certified and operates on either rechargeable battery (included) or 115 VAC. A low battery annunciator signals the operator when it's time to recharge.

Overall the RS-130 offers the most accurate, portable and affordable solution for simple price computing needs.
