

Leland Southwest

THE *SINGLE BEST* DOUBLE ACTION™ MIXER!

I300DA90

Double Feature. Action Packed

[Features](#)

[Specifications](#)

No more mini-loads.

The Leland Southwest Double Action™ I300DA90 provides the answer to your questions about increased productivity. Extra-large capacity increases production. And Double Action™ decreases mixing time. Such a combination increases profits whether you're upgrading a facility or starting a new business. Other features include a completely enclosed motor drive, a jog feature for easy unloading and polished 304 stainless steel construction for easy clean-up. The Leland Southwest I300DA90 is USDA-approved, uses UL-listed components and is made in the United States. When profits matter most, call Leland Southwest at (817)232-4482.

Design Features

Increase efficiency with higher production and shorter mixing times when you pick the mixer that says Leland Southwest Double Action: the I300DA90 -- built for productivity, built to last.

- Exclusive Double Action paddle design
- Controls mounted on separate enclosure
- Removable inner paddles
- Totally enclosed drive
- Jog control for easy unloading
- Polished 304 stainless steel construction
- Efficient, totally-enclosed gear box
